PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to obtain approval from your Board to award this construction contract and authorize the Director of Public Works (Director) or her designee to

execute the contract and establish the effective contract date following receipt of approved Faithful Performance and Labor and Materials Bonds and insurance filed by the contractor for this project.

On February 8, 2011, Agenda Item 28, your Board approved the project, adopted the plans and specifications, called for bids to be received on March 8, 2011, and instructed the Executive Officer of the Board of Supervisors to advertise the project.

The enclosure includes the project description, the call for bids and bid opening dates, a tabulation of bids, and financial information. The certified record of receipt of bids and the original bid proposal are also enclosed for this project.

The recommended construction contract is necessary to execute a Board-directed and approved Department of Public Works (Public Works) project in support of operational missions. Your Board's approval of the recommended contract award and the subsequent execution of the contract will ensure the timely completion of the project.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). Awarding this contract will provide improved infrastructure to better serve the public and will enhance the quality of life in the affected community.
